MudWing and NightWing Names (Some Moon Rising spoilers)

I need help thinking of names for two of my OC's! I made a list of names but I can never think of good ones for NightWings and MudWings. Here are the descriptions for the dragons:

Tribe: NightWing
Gender: Female
Description: Black scales, horns, and eyes, white spines.
Personality: Likes scrolls, smart, nervous. A bit like Moon but more talkative
Other: Has power of prophecy (She was born a little after the NightWings moved to the rainforest)

Tribe: MudWing
Gender: Male
Description: Brown, amber, and russet scales. Brown eyes
Personality: Slow to realize things, kind, good at fighting but doesn't really like to
Other: None

I have some, if you haven't used the others yet... MudWing could be Russet and NightWing could be Snowseer, for her white spines?
